Ideal for the Following Customers

- Residential customers trading up from entry level analogue/DECT products.
- Affluent customers seeking high range DECT product
- Users familiar with mobiles
- Small office/Home office

Main Features

- **50 Name and number memory**
  Allows you to store and dial 50 names and numbers at the touch of a few buttons.
- **20 Last number redial**
  The 20 most recently dialled numbers are stored and can be accessed again at the touch of a button.
- **6 Handset ringer melody options**
  Different melodies for internal/external calls.
- **Caller Display***
  When used with a Caller Display service, you can see call information via the LCD.
- **Date/clock/alarm**
  Built in date/clock/alarm feature.
- **Easy to use menu structure**
- **Expandability**
  Up to 5 extra handsets (extensions) can be registered to a single base station (6 in total per base station), without the need for additional wiring.
- **Handsfree**
  Allows you to hold a conversation without lifting the handset.
- **Keyguard**
  Prevents accidental dialling when activated.
- **Fully digital cordless telephone answering machine with 15 minutes recording time**
- **Handset ringer volume control**
  Sets the ringer volume on the handset.
- **Handset speech volume control**
  Amplifies incoming or outgoing speech so that you can choose the setting that best suits your needs
- **Preparatory dialling**
  When dialling a number it appears in the display, allowing you to check that it is correct. The number can then be dialled by pressing a single button.
- **Pre-recorded outgoing message**
  A pre-recorded message on the answering machine (this can be overwritten with your own outgoing message).
- **Remote access and private playback**
- **Removable fascias Silver, Grey and Blue Grey**
- **Secrecy**
  Allows you to speak to someone else in the room without your caller hearing the conversation.
- **SMS text messaging with sub-addressing**
  You can send and receive SMS* text messages. Depending on their length up to 30 text messages can be stored. Text messages and sub messages are notified by LED.
- **Voice prompts**
  Useful announcements to help you set up and operate the machine.

** A separate quarterly fee is payable*
